

## KENT AND SOUTH-EAST LONDON GROUP

A "Super Day" at Bromley Pageant of Motoring  
(Sunday 13th June 2010)

Our first club stand for the new Kent Group and what a "super day" we had with the weather and the vehicles with three excellent examples of Super saloons kindly displayed by Ann/Andy/Rebecca Sales also Terry Bray and Dave/Andrea/Chris Hurst with their modified model.

We ran out of new membership application forms on the day (but hopefully those that called onto the stand and wanted to join have now got their forms) it was good to meet up with fellow club members who came by to say hello and the comments and praise we received about our cars on display made it all worthwhile.

Special thanks to Maurice (Mo) for taking time to take some pics and post them on the club website and to Richard Payne (alias Dave) also Ozy plus Clive and Jan (past members) who have promised to re-join again and Tracey from the Sussex Group who called by to introduce herself.

Here's to our next Club Stand which we hope to be "vantastic"

JOHN COLVER (KENT GROUP ORGANISER)

## OVERSEAS GROUP

We've been invited by the president, Mr. Roger Fischbach from the Ford M Club in Switzerland as their "Special Guests" on Sunday the 30th May.

A very big show, normally presenting all different German Fords from the 50's to the 70's. As usual, when this Club organises an event, a big regional Ford dealer (Fa. Gräb, Oberentfelden, Aarau) was asked, to give permission to use all of their place, where normally modern Fords get repaired (as a Restaurant with BBQ), and the court was the place, where all displayed their cars. A total of over 60 cars were there. Also owners from Mk1 Cortinas, Mk2 Cortinas (but they did not arrive, we later heard the excuse, 'because of the rain' - it seems Cortinas do not have wipers on the continent...) and all other English Fords in Switzerland have been invited.

With 4 Anglias from the 105E Owners Club, we had the highest number of the same model. Member Markus Müller and Urs Camenzind (who won the first prize from all English Fords out of the hand from co-president, Mr. René Schupp, pictured), Janneke and myself took our Anglias. We had a fantastic day, and even all the hard rain could not put this event down.

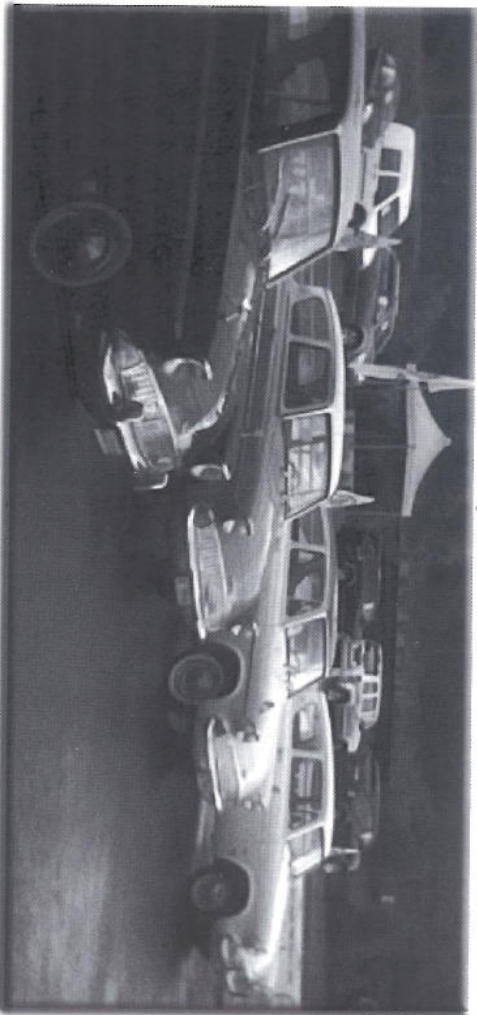

We wish all a great summer, with a lot of sun and many miles on your Anglias.

Greetings Stephan and Janneke Brogle-Hoekstra, Switzerland

Unser Club wurde vom Präsident des Ford M Clubs Schweiz eingeladen zu ihrem 2-jährigen treffen bei der Garage Gräb in Oberentfelden, Aarau teil zu nehmen. So führen wir trotz heftigen Regen am 30. Mai richtung Aarau. Wir fanden eine perfekten Organisations-struktur vor in der Reparaturlhalle war ein Festrestaurant aufgebaut mit Grill. Es nahmen über 60 alte Fords aus den 50-iger bis 70-iger Jahre teil. Die Krönung der Show war ein Teilnehmer-Wettbewerb um den schönsten deutschen und englischen Ford den unser Mitglied Urs Camenzind

gewann, der wie Markus Müller, Janneke und Stephan mit einem Anglia angereist war. Wir hatten einen tollen Tag, ab und zu kam sogar die Sonne durch, und danken den Verantwortlichen für ihre Einladung.

Wir wünschen allen einen schönen Sommer, mit viel Sonne und vielen unfallfreien Anglia-Kilometern.  
Stephan und Janneke Brogle-Hoekstra, Schweiz.
